Human Rights Council

Twenty-second session

Agenda item 7

Human rights situation in Palestine and other occupied Arab territories

Resolution adopted by the Human Rights Council*

22/26.

Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan

The Human Rights Council,

Guided by the principles of the Charter of the United Nations and affirming the inadmissibility of the acquisition of territory by force,

Reaffirming that all States have an obligation to promote and protect human rights and fundamental freedoms, as stated in the Charter and as elaborated in the Universal Declaration of Human Rights, the International Covenants on Human Rights and other applicable instruments,

Recalling relevant resolutions of the Commission on Human Rights, the Human Rights Council, the Security Council and the General Assembly reaffirming, inter alia, the illegality of the Israeli settlements in the occupied territories, including in East Jerusalem,

Mindful that Israel is a party to the fourth Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, which is applicable de jure to Palestinian and all Arab territories occupied by Israel since 1967, including East Jerusalem and the Syrian Golan, and recalling the declaration adopted by the Conference of High Contracting Parties to the Fourth Geneva Convention, held in Geneva on 5 December 2001,

Considering that the transfer by the occupying Power of parts of its own civilian population into the territory it occupies constitutes a breach of the Fourth Geneva Convention and relevant provisions of customary law, including those codified in Additional Protocol I to the Geneva Conventions of 12 August 1949,

Recalling the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the *Legal Consequences of the Construction of a Wall in the Occupied*

* The resolutions and decisions adopted by the Human Rights Council will be contained in the report of the Council on its twenty-second session (A/HRC/22/2), chap. I.

Palestinian Territory, and its conclusion that the Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem, were established in breach of international law,

Recalling also General Assembly resolution ES-10/15 of 20 July 2004 and other relevant United Nations resolutions,

Affirming that the Israeli settlement activities in the Occupied Palestinian Territory, including in East Jerusalem, are illegal under international law and constitute very serious violations of international humanitarian law and of the human rights of the Palestinian people therein, and undermine international efforts, including the Annapolis Peace Conference of 27 November 2007 and the Paris International Donors' Conference for the Palestinian State of 17 December 2007, aimed at invigorating the peace process and establishing a viable, contiguous, sovereign and independent Palestinian State by the end of 2008,

Recalling the statement made by the Quartet on 21 September 2010 and its attachment to the implementation by the parties of their obligations under the Quartet road map to a permanent two-State solution to the Israeli-Palestinian conflict, and noting specifically its call for a freeze on all settlement activities,

Expressing its grave concern about the continuation by Israel, the occupying Power, of settlement building and expansion in the Occupied Palestinian Territory, including in East Jerusalem, in violation of international humanitarian law and relevant United Nations resolutions, including plans to expand and connect Israeli settlements around Occupied East Jerusalem, thus threatening the creation of a contiguous Palestinian State,

Expressing its concern that continuing Israeli settlement activity undermines the realization of a two-State solution,

Expressing grave concern about the continuing construction, contrary to international law, by Israel of the wall inside the Occupied Palestinian Territory, including in and around East Jerusalem, and expressing its concern in particular about the route of the wall in departure from the Armistice Line of 1949, which could prejudice future negotiations and make the two-State solution impossible to implement and which is causing the Palestinian people further humanitarian hardship,

Deeply concerned that the wall's route has been traced in such a way as to include the great majority of the Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem,

Expressing its concern at the failure of the Government of Israel to cooperate fully with the relevant United Nations mechanisms, in particular the Special Rapporteur on the situation of human rights in the Palestinian Territories occupied since 1967,

1. *Welcomes* the conclusions of the Council of the European Union on the Middle East peace process of 8 December 2009, in which the European Union Council of Ministers reiterated that settlements, the separation barrier where built on occupied land, and the demolition of homes and evictions are illegal under international law, constitute an obstacle to peace and threaten to make a two-State solution impossible, and particularly its urgent call upon the Government of Israel to immediately end all settlement activities, in East Jerusalem and the rest of the West Bank, and including natural growth, and to dismantle all outposts erected since March 2001;

2. *Welcomes with appreciation* the statements made by the majority of the States Members of the United Nations on the illegality of settlement activities in the Occupied Palestinian Territory, including East Jerusalem, and reaffirming the urgent calls

by the international community upon the Government of Israel to stop immediately all settlement activities, including in East Jerusalem;

3. *Condemns* the recent Israeli announcements of the construction of new housing units for Israeli settlers in the West Bank and around occupied East Jerusalem, as they undermine the peace process, constitute a threat to the two-State solution and the creation of a contiguous, sovereign and independent Palestinian State, and are in violation of international law, and calls upon the Government of Israel to reverse immediately its decisions, which would further undermine and jeopardize the ongoing efforts by the international community to reach a final settlement compliant with international legitimacy, including relevant United Nations resolutions;

4. *Expresses its grave concern* at:

(a) The continuing Israeli settlement and related activities, in violation of international law, including the expansion of settlements, the expropriation of land, the demolition of houses, the confiscation and destruction of property, the expulsion of Palestinians and the construction of bypass roads, which change the physical character and demographic composition of the occupied territories, including East Jerusalem and the Syrian Golan, and constitute a violation of the fourth Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, and in particular article 49 of that Convention, and recalls that settlements are a major obstacle to the establishment of a just and comprehensive peace and to the creation of an independent, viable, sovereign and democratic Palestinian State;

(b) The increasing number of newly built structures, in 2008, 2009, 2010, 2011 and 2012 amounting to several thousands, including a large number of permanent buildings and structures, which undermine the efforts of the international community to advance the Middle East peace process;

(c) The implications for the final status negotiations of Israel's announcement that it will retain the major settlement blocks in the Occupied Palestinian Territory, including the settlements located in the Jordan Valley;

(d) The expansion of Israeli settlements and the construction of new ones on the occupied Palestinian territory rendered inaccessible behind the wall, which create a *fait accompli* on the ground that could well be permanent, in which case it would be tantamount to *de facto* annexation;

(e) The operation by Israel of a tramway between West Jerusalem and the Israeli settlement of Pisgat Zeev, which is in clear violation of international law and relevant United Nations resolutions;

5. *Urges* Israel, the occupying Power:

(a) To reverse the settlement policy in the occupied territories, including East Jerusalem and the Syrian Golan, and, as a first step towards their dismantlement, to stop immediately the expansion of existing settlements, including "natural growth" and related activities, including in East Jerusalem;

(b) To prevent any new installation of settlers in the occupied territories, including in East Jerusalem;

(c) To immediately reverse its decision to unfreeze the planning process on the E-1 plan which, if implemented, would seriously undermine the prospects of a negotiated resolution of the conflict by jeopardizing the prospects of a contiguous and viable Palestinian State and of Jerusalem as the future capital of two States, and could also entail the forced transfer of the Palestinian civilian population;

6. *Calls upon* Israel to take and implement serious measures, including confiscation of arms and enforcement of criminal sanctions, with the aim of preventing acts of violence by Israeli settlers, and other measures to guarantee the safety and protection of Palestinian civilians and Palestinian properties in the Occupied Palestinian Territory, including East Jerusalem;

7. *Demands* that Israel, the occupying Power, comply fully with its legal obligations, as mentioned in the advisory opinion rendered on 9 July 2004 by the International Court of Justice;

8. *Urges* the parties to give renewed impetus to the peace process in line with the Annapolis Peace Conference and the Paris International Donors' Conference for the Palestinian State, and to implement fully the road map endorsed by the Security Council in resolution 1515 (2003) of 19 November 2003, with the aim of reaching a comprehensive political settlement in accordance with the resolutions of the Security Council, including resolutions 242 (1967) of 22 November 1967, 338 (1973) of 22 October 1973, 446 (1979) of 22 March 1979, 452 (1979) of 20 July 1979, 465 (1980) of 1 March 1980, 476 (1980) of 30 June 1980, 478 (1980) of 20 August 1980, 1397 (2002) of 12 March 2002, 1515 (2003) of 19 November 2003 and 1850 (2008) of 16 December 2008, and other relevant United Nations resolutions, the principles of the Peace Conference on the Middle East, held in Madrid on 30 October 1991, the Oslo Accords, the Arab Peace initiative and subsequent agreements, which will allow two States, Israel and Palestine, to live in peace and security;

9. *Requests* the Secretary-General to report on the implementation of the present resolution at its twenty-fifth session;

10. *Decides* to remain seized of the matter.

*50th meeting
22 March 2013*
